RE: Amended October Quarterly Report (7/1/00-9/30/00)
FEC Identification No. C00243428

Dear Mr. Kern:

As requested pursuant to your letter dated April 17, 2001, enclosed please find an amended Summary and Detailed Summary Pages of the 2000 October Quarterly Report with activity from July 1, 2000 thru September 30, 2000. The corrections reflect discrepancies for Column B, line 21.

In addition, I have enclosed a copy of check no. 3159 payable to F.N. Piasecki for a contribution to the General election that exceeded the individual's contribution limit. This refund will be reported in the July 31, 2001 Mid-year Report.

Please note that the correct address for the Committee is 215 Fourth Avenue, Haddon Heights, NJ 08035 and that all inquiries should be directed to my attention at that address. The previously referenced request for information was inadvertently sent to a Post Office Box address that is used for internal administrative use only. Please make the necessary adjustments.

Very truly yours,

Christina Morales
Treasurer
